To His Honour

W. L. WALSH,

Lieutenant-Governor of the Province of Alberta.

SIR,—

I have the honour to transmit herewith the Report of the Department of Municipal Affairs for the year 1930.

I have the honour to be, Sir,

Your obedient servant,

R. G. REID,

Minister of Municipal Affairs.

Edmonton, Alberta,
June 30th, 1931.

HONOURABLE R. G. REID,
Minister of Municipal Affairs,
Edmonton, Alberta.

SIR,—

I have the honour to submit the Nineteenth Annual Report of the Department of Municipal Affairs.

The Report in general covers the fiscal year ending the 31st day of March, 1931, and legislation passed at the 1931 Session of the Legislature; the statistics relating to cities, towns, villages and municipal districts covering the calendar year 1930.

MUNICIPAL UNITS.

The following comparative table may be of public interest, indicating as it does the steady growth in the number of municipal units since the formation of the Province:

	At the Formation of the Province, Sept. 1, 1905	Year covered by First Annual Report, 1912	At March 31st, 1931
Cities	2	5	7
Towns	15	46	54
Villages	30	73	146
Rural Municipalities	55	166
Municipal Districts }			
Improvement Districts	90	234

It will be noted that the number of municipal units administered by local governing bodies has increased from 47, at the time the Province was created, to 373 at the present time.

The Town of Drumheller was raised to the status of a city, while the following new villages were erected: Andrew, Derwent, Edberg, Grimshaw, Milo, Myrnam and Turner Valley.

The Villages of Newcastle and Richdale were disorganized, leaving a net gain of five in the number of villages during the year 1930.

FINANCE.

Table 1 indicates levies by the Department in improvement districts and total net collections from all sources for the fiscal year ending March 31st, 1931.

	1930 Levy in Improvement Districts only	Collections from all Sources during the Fiscal year 1930-31
Supplementary Revenue	\$162,471.60	\$ 827,650.07

Miscellaneous	891.01
School and Commissions	156,135.83
Medical and Hospital Relief	984.72
Totals.....	<u>\$884,666.59</u>	<u>\$1,831,902.76</u>

Distribution to special accounts was as follows:

Improvement District Seed Grain and Relief	\$ 29,263.63
Livestock Encouragement Advances	29,576.70
Municipal District Seed and Relief	44,681.56
Timber Areas Tax	5,028.05
Agricultural Pests	701.41
Refunds	106.90
	<u>\$109,358.25</u>

Of this sum \$15,078.25 has been remitted to the Dominion Government, being their 50% share of Relief collections.

Tables 2, 3, and 4 contain statistics of the towns and villages, as to the combined assets, liabilities and bonded debt, which reflect a healthy financial condition.

It will be noted that bonded debt is being steadily reduced in the smaller urban units.

Only 6 out of the 166 rural municipalities of this Province have a bonded debt, and the total outstanding as at December 31st, 1930, amounts to only \$22,100.00, a truly remarkable showing.

LEGISLATION.

During the 1931 Session of the Legislature some twenty-two Acts or amending Acts were passed, which have some bearing on the work of the Department, namely:

- The Municipal District Act.
- The Alberta Assessment Commission Act.
- The Local Tax Arrears Consolidation Act.
- The Department of Municipal Affairs Act.
- The Town Act.
- The Village Act.
- The Improvement Districts Act.
- An Act respecting the payment of certain arrears of taxes by the Soldier Settlement Board.
- The Electric Power Taxation Act.
- The Debt Adjustment Act.
- An Act to provide for Temporary Seed Grain Advances to Farmers.
- The Town Planning Act.
- The Old Age Pensions Legislation Act.
- An Act to consolidate and amend the Law Relating to Schools.
- An Act to consolidate and amend The School Assessment Act.
- An Act respecting Provincial Lands.
- An Act respecting Oil and Gas Wells.
- The Hospitals Act.
- The Municipal Hospitals Act, 1929.
- The Municipal Hail Insurance Act.
- An Act to Create a Department of Lands and Mines.

The Department of Municipal Affairs Act.—The amendment to this Act extends the power of the Minister with regard to special

audits being made of the books and records of any municipality at any time and for any period.

The Alberta Assessment Commission Act.—The amendment to this Act makes its provisions comply with those of The Supplementary Revenue Act in providing that the tax levied for supplementary revenue purposes is to be levied on land values only.

The Local Tax Arrears Consolidation Act.—This Act gives power to a Municipal District Council, under certain circumstances and after certain conditions have been complied with, to enter into an agreement with a taxpayer, whereby his arrears may be consolidated and paid off in either four or five equal annual instalments; but in addition the taxpayer must pay all current taxes in the year in which they are levied.

The execution of this agreement automatically suspends any tax recovery proceedings so long as the interested parties live up to the agreement; but any default immediately revives these proceedings.

The Municipal District Act.—The principal amendment to this Act, and which is of major importance, is to make every municipal district in the Province a collecting district for school taxes, and it is now no longer possible for a municipal district to change from a collecting to a non-collecting district, or *vice versa*, by a vote of the ratepayers.

Other amendments to this Act include the removal of the restriction as to mill rate, the increase in the borrowing powers for all purposes, exemptions from taxation of land held for community purposes under certain conditions, a new definition of the word "resident," the responsibility for an indigent moving from one municipality to another, and empowering councils to enter into agreements with other municipalities for the care and treatment of residents within an area not contained within Municipal Hospital Districts, and to tax the lands in that particular area for that purpose.

MUNICIPAL SCHEDULES.

So many requests were received by the Department last year, after the printing of the 1929 Report, for copies of the whole or part of the statistics relating to cities, towns, villages and municipal districts of the Province, from research societies, bond dealers, financial newspapers and the statisticians of the Dominion and of various provinces, states and universities, that I have included them in, and they form part of, the report for the year 1930. To the schedules this year has been added a comparative statement for the last five years.

All of which is respectfully submitted,

R. ENGLISH,

Deputy Minister.
